## Be Found by Local Shoppers

Support Retail is a free online directory that helps GTA shoppers find local small businesses OPEN for walk-in, pickup or delivery during the COVID-19 pandemic.

Once you're listed on Support Retail, shoppers will be able to search for your store by name, industry, keyword, or location.

No download necessary, works on any device.

## How it Works

### 1 List your store for free

Let shoppers know if you are open for walk-in, pickup or delivery.

### 2 Add details to stand out

Make sure to include any special offers, instructions, social media accounts and contact details.

### 3 Inform us of any updates

Email us at [info@takulabs.io](mailto:info@takulabs.io) if you would like us to add any new business types or update your listing.

Are you guys able to do a search by postal code or search by location so that a user can see what is open around them maybe by 1, 5 and 10km radius?

*Yes!*

## 5 ways we do it better

1. Search by keyword, business type or location.
2. Coverage of 30+ different business types.
3. Detailed profiles with maps for every listing.
4. Works on any device. No downloads required.
5. Ability to save favourites with sign in.
